DARK SHADOWS AND BEYOND - THE JONATHAN FRID STORY “is a fine and engaging documentary...about an actor who was committed to his craft, rather than fame...You don’t have to love DARK SHADOWS to enjoy this film.”

[Dan Day Jr., THE HITLESS WONDER](#)

“If you’re looking for an exposé or Hollywood gossip, you won’t find it here—but you will find a very detailed, very earnest chronicle of Frid’s career, as well as many memories of his kind, generous nature.”

[Cheryl Eddy, GIZMODO](#)

DARK SHADOWS AND BEYOND - THE JONATHAN FRID STORY “is an excellent documentary that fully explores the life of a gifted actor. While it was an informative trip down memory lane for me, my 18-year-old found it equally as engaging and sparked her interest in seeing the series, a testament to the filmmakers’ achievement.”

[Joseph B. Mauceri, FEARS magazine](#)

DARK SHADOWS AND BEYOND - THE JONATHAN FRID STORY “is directed with economy and panache by Mary O’Leary. Her biography of the popular actor evolves into a love letter for the performing arts, exemplified by a man whose devotion to his craft became the driving force in his life.”

[Dann Gire, DAILY HERALD CHICAGO](#)

“We see what a full life and career he had, including years of ‘Reading Theater’ where he utilized that magnificent voice. Jonathan Frid passed away in 2012 at age 87, but his legacy as Barnabas Collins seems eclipsed only by his life of grace and kindness.”

[David Ferguson, MOVIE REVIEWS FROM THE DARK](#)

"O’Leary nicely put his full life and career in context, handling...his closeted private life with sensitivity."

[Joe Bendel, J.B.SPINS](#)

DARK SHADOWS AND BEYOND - THE JONATHAN FRID STORY “is very much the film that Jonathan Frid deserves.”
